

ERASMUS + WATT ELSE

NetWork for a dynamic Actors involved in the Transition of competences in the Energy field facing Learning challenges in Europe

3rd Transnational meeting
Iasi – July 18th to 20th, 2021

MEETING AGENDA

Monday, July 19th 2021

08:45 – 09:30 – WELCOME SPEECH – PRESENTATION OF ISJ IASI

Zoom visio conference if possible <https://us02web.zoom.us/j/85213586591>

09:30 – 10:00 – REVIEW OF THE PROJECT OBJECTIVES

Task 1 – Statistics related to the energy field of activity (mix energy) – MIFE + All

- Template development
- National statistics
- European synthesis (MIFE)

Task 2 – European State of the Art on the energy field of activity

- Survey and interview guides for training and education structures, public authorities, firms
- Identification of main targets and goals
- European synthesis (Trexima)

Task 3 – European mapping of future energy jobs and competences (Under elaboration)

- Identification of 21 ESCO energy jobs and competences
- Integration of transversal skills (social, linguistic, digital, communication, organisational skills) and evaluation
- Integration of contextual aspects
- Quotation of level of importance

Task 4 – European mapping of training paths for energy competences (Under elaboration)

- Creation of a template (OK)
- Connection with mapping of competences
- Introduction of targets and goals (see Task 2)
- Synthesis of training paths

Iasi for European training paths in initial and continuous training.

HOU + UTBM for European training paths in university paths

ENAIP + ITS for European training paths in vocational training

Task 5 – Development of a training programme on the energy field of activity collecting all our products

- Frame development
- Preparation of the “short term joint staff training meeting” by KTH to test this programme
- Organization of this testing phase (KTH with MIFE and UTBM) to be organized in XXX 2021

Task 6 – Best practices to accompany the transition on territories (CDM Réunion + Consroci de la Ribera)

10h00 – Coffee Break

10h15 – 12h15 – WORKSHOP ON TASK 3

Zoom visio conference if possible <https://us02web.zoom.us/j/82789389666>

Synthesis on the 21 ESCO jobs taking into account all added elements by partners
Development of a unique final frame

12:15 – 13:30 Lunch Break

14-15.30: VISIT at Technical University – Faculty of Electrical Engineering, Energetics and Applied Informatics

15h30 –15h45 Coffee Break

15:45 – 16:30 WORKSHOP ON TASK 4

Synthesis on the training paths – all partners
Development of a unique final frame

16:30 – 17:30 PRESENTATION AND FEEDBACK FROM WORKSHOPS ON TASK 3-4

Zoom visio conference if possible <https://us02web.zoom.us/j/84977034656>

Presentation of the unique final frame

Tuesday, July 20th 2021

10.00-11:00: Meeting at [City Hall of Iasi](#)– Roznovanu Palace – Pogor Hall

11h15 –11h30 Coffee Break

11.30-12:30: ORGANIZATION OF TASK 5 - Creation of a training programme on the energy field of activity

Zoom visio conference if possible <https://us02web.zoom.us/j/88410047991>

Taking into account the

- Statistical state of the Art from TASK 1
- targets and goals from TASK 2
- cartography of competences from TASK 3
- cartography of training paths from TASK 4

With the support
of the Erasmus+
Programme of the
European Union

Workshop and exchange between partners about this potential programme (to be validated new transnational meeting)

12:45 – 13:45 Lunch break

14:00 - 14:30 - ORGANIZATION OF THE ADMINISTRATIVE ASPECTS

Zoom visio conference if possible <https://us02web.zoom.us/j/84532233650>

- Feedback from interim report
- Financial aspects (transnational meetings)
- Internal and external evaluation

Reactions and exchanges

14:30 - 15:00 - ORGANIZATION OF THE COMMUNICATION ASPECTS

1. Creation of a leaflet (free exchange between partners) or specific communication for dissemination
2. Organisation of the **TM4 in Patras (Greece)** – September
>>> proposal of animations and structure of the TM3
Reunion Island (Saint-Pierre): November 2021
Spain (Valencia): January 2022
Italy (Torino): March 2022
3. Organisation of the **joint staff training activity in Stockholm (Sweden)** – October
>>> Identification of staff from our organizations (2 persons per partner)
